Unlock Your Building

INTRODUCING LIFE BY CEG

With over 30 years of experience, we understand the importance of creating the right environment for businesses to thrive.

We aim to make our buildings positive, healthy and sustainable. Our workplaces are environments that encourage businesses and their people to make the most of every day.

IN-HOUSE AT EVERY STEP

Unlike other landlords, we have the internal expertise and choose to manage every detail of our buildings. This includes front of house, facilities management, and all health and safety aspects. In our experience, this works better for our customers.

Our holistic property management approach allows us to get to know our tenants in more detail, creating a positive experience for all businesses, individual tenants and visitors.

TAILORED EVENTS PROGRAMME

Life is not all about work, so we have lovingly styled and created a series of events just for our tenants.

Our events aim to create a strong community feel in and out of your building. This means coming together to learn new skills or start a new healthy journey with your neighbours.

OUR COMMUNITY APP

Our Life by CEG app joins the dots between work and life. Helping you, your team, and local businesses connect.

The app allows you to unlock the potential of your building, connect with people, report an issue, book meeting rooms and gym classes and discover local deals and discount codes.

CAFÉ PARTNERSHIP

We partner with local cafe operators to provide our tenants with affordable healthy meals, coffees and treats.

CEG look to subsidise meal deals in conjunction with the community app, ensuring we support our tenants daily.

CREATING A HEALTHIER DAY

Reducing our tenant's daily carbon footprint is integral to our wellness and sustainability strategy.

We provide enhanced bike storage and shower facilities to help encourage cycling to work, lunchtime gym sessions or after-work yoga.

We want to remove all the barriers to creating a healthier and more sustainable day.

OUR SUSTAINABILITY MISSION

As part of our broader sustainability strategy, CEG has moved all building common parts to a 100% renewable electricity tariff. We are also targeting a 100% diversion from landfill via our waste management service.

We believe in creating a more sustainable future. For this, we work alongside our tenants to help reduce waste and carbon emissions.

A better service.
A better workspace.

Let Ready Space.

West Edinburgh

West Edinburgh is home to an array of renowned UK and international organisations attracted by the green environment and the excellent amenity and public transport on offer.

Connectivity is exceptional with the park served by three train stations, multiple bus services and its own tram stop that provides easy access to the city centre and nearby Edinburgh Airport. The City bypass (A72) runs adjacent to the park which in turn connects with the M8, M9, M90 and the national motorway network. Those choosing to cycle to work are well catered for with National Cycle Routes 8, 75 and 754 in close proximity and secure cycle racks and a repair station available on arrival.

The nearby Gyle Shopping Centre features numerous well-known brands as does Hermiston Gait Retail Park that is located close by. Other amenities include, Busy Bee Nursery, Energize Fitness and Health Club and a choice of three hotels, namely Ibis, Premier Inn and Novotel.

Parabola's new mixed use community is currently under construction on the park. Once completed the development will provide in addition to new homes and offices, a civic square featuring bars, restaurants and shops, a lido swimming pool, a gym and an exhibition venue.
